Dear Parent or Guardian,

Attached are two copies of the Title 1 BSI parent/teacher compact. The compact has been signed by me and your child's basic skills instructor. We have found working as a team produces the greatest improvement in academic performance. The pledge outlines the role of the teachers and the parents in order to make this a successful year. Thank you for your support and cooperation. Please sign one copy and return to your child's basic skills instructor by October \_\_\_\_\_.

Sincerely yours,

Monica Higbie

Basic Skills Instruction Coordinator
