Dear Parent or Guardian,

I am informing you of the extra help _____ is eligible to receive.

Our district provides basic skills support for students who need instruction in language arts and/or math. This is to notify you that your child, _____, has been identified as a student in need of basic skills instruction for the school year 2015-2016.

Based on her grades, classroom performance and teacher recommendation, your child is eligible for BSI. _____ will exit when she achieves an 80% quarterly report card grades and/or demonstrates proficiency on the teacher's end of year test.

You, as a parent or guardian, have the right to decline these services being offered to your child. Participation in this program will help your child succeed in school. It must be understood that your child's academic progress may be limited should you decide against participation in this program. If you wish your child to participate in the BSI program, no further action is needed on your part. If you **do not** wish your child to participate in this program, please contact me at (973) 293-7131 x222.

Sincerely yours,
Monica Higbie
Basic Skills Instruction Coordinator
